Rapunzel Pizza Braid

Prep: 25 mins

Cook: 25 mins

Serves: 4-6

Braiding this pizza pocket is as simple as tying a holiday bow. Just as Rapunzel tucks flowers into her favourite hairdo, you can decorate this recipe with cheese, pepperoni, and more!

Ingredients

- [1 pack of pizza dough \(400g\)](#)
- [4 whole tomatoes from a 400g can](#)
- [1 small garlic clove, grated](#)
- [235g mozzarella cheese, grated](#)
- [10 pieces of pepperoni](#)
- [1 egg](#)
- [1 tsp sesame seeds](#)
- [Black pepper, to taste](#)
- [Salt, to taste](#)

Method

1. Preheat the oven to 200°C. Line a baking sheet with parchment paper and remove the dough from the package and place it on the parchment.
2. Use a toothpick to make 2 marks along the short edge of the dough, dividing it into 3 even portions. Then use the toothpick to mark every 1 inch along each long edge.
3. With an adults help, use a knife or kitchen shears to cut along one long side at the marks you made, stopping when your reach the first mark on the short edge. Then repeat on the other long side. You should end up with strips on both long sides of the dough, with an uncut portion of dough in the middle.
4. Use your hands to crush the tomatoes into small pieces and place them in a bowl. Stir in the garlic and season with salt and pepper. Spread this mix over the center of the dough.
5. Sprinkle on the cheese, followed by the pepperoni. Fold the dough by overlapping the strips, alternating between the two sides.
6. Whisk the egg with 1 tablespoon of water. Brush the top of the braid with this egg wash and sprinkle with sesame seeds.
7. Place the pizza braid in the oven and bake until golden brown, about 25 minutes. Let cool

slightly before serving and tuck in!

Tip: For an easier method for beginner cooks, use kitchen scissors in place of a knife to cut strips into the dough.
